National Policy Reminder: Noting activities of new and established chapters generating logos, T-shirts, badges, banners, license plates, etc. — a review of FCA policy concerning these items of chapter identification is as follows:

FCA Rules for "FORMATION OF CHAPTERS" in Section A (Formation), Item 2: "A charter chapter shall use only the name designated in its charter. The name of the new chapter shall be listed as: The _____ Chapter of the Falcon Club of America.

Please do not overlook this policy when generating your artwork to identify your chapter. Questions should be addressed to FCA Officers or Directors.

President's Message

March is here. Marty Martin and I are going to Springfield, MO, this month to work out all the details for the 1996 FCA Nationals. If we stay ahead a couple of years, I think we can save money, and club members can plan ahead.

We've had some questions asked about what it takes to get your input into the newsletter. If you have a question, call or write our editor, Kathy Lerner, and she can give you all the details.

I've had a call from our vendors wanting to know what they can produce for our Falcons. If there are any special parts you need and that are not yet reproduced, let them know. Maybe they can start reproducing them.

Have a good spring,
Jim Hatcher, FCA President

Vice President's Message

Winter stinks! Cabin fever has set in; the couch monster has me in its clutches. Heck, I've spent the last month just reshaping and preparing it (the couch) for the Super Bowl. The Falcon waits patiently in that cold dark garage for the grooming it has become accustomed to. I swear, sometimes I can hear its cry for attention! Really — "Wash me, dry me, wax me, shine me up." It hurts, like a pet's cry in pain. Guess I could put the wax in the microwave. Naw, the wife probably wouldn't understand. She doesn't hear the moaning from the dungeon like I do.

We have managed to be a little productive between the couch shaping sessions. A complete revision to the FCA National and Regional Conventions Guide-line has been written and accepted by the Board of Directors. We feel this document will be of great benefit to those chapters planning for a future national or regional. Copies of this document will be in the hands of all Regional Directors well before you read this. I would ask that all Chapter Presidents be sure to obtain a copy and review it carefully; then discard the old one dated 1988.

Plans for the '95 Nationals in the Dallas area are well under way. Hopefully a hotel contract will be in hand before the end of February. Letters listing hotel requirements have been generated and mailed to respective convention bureaus. Artwork for the awards and T-shirts is complete, and financial strategies have been developed. Class configuration will be similar to the '93 convention to promote fairness and even distribution among all competitors. The theme for this convention will be "The '65 turns 30."

For the '96 convention in Springfield, Missouri, a list of hotel requirements has been generated and mailed to the convention bureau. Hatcher and I will be visiting Springfield in March to choose a facility that meets FCA requirements, and we'll obtain a suitable contract from there. Artwork for the awards and T-shirts is 50% complete, and class configuration will be similar to the '93 convention. We will start pursuing a major sponsor and T-shirt sponsors at the earliest possible date.

The Keystone Chapter has done an exceptional job of planning our 15th National in Valley Forge, PA. Activities include two tours you won't want to miss, a pasta party, and an all-you-can-eat ice cream party. Want more? This area is surrounded with uncluttered beauty, rich in culture, and full of American history. Please plan to attend, and above all, register now. Waiting until the last minute to register really generates a lot of logistical problems for the hosting chapter. Help them and help yourself, too; get it in the mail as soon and as early as possible. You won't be sorry! See you there in July.

Love ya all,
Marty

Join us for the Fifteenth Annual National Falcon Convention to be held July 21 through July 23 in historic Valley Forge, Pennsylvania, and sponsored by the Keystone Chapter

A listing of the classes for the National is included in this *Bulletin*. The stock classes for cars are: sedan, convertible, hardtop and sports coupe. Other stock classes are for Ranchero, Sedan Delivery, station wagon and other utility. To encourage the everyday street-driven Falcon to attend, there is a class for the Daily Driver.

Four Modified classes are designated by body style, with a fifth for competition vehicles. Finally, there is a Masters Class for concours-quality Falcons.

These classes were designed with the goal that each should have sufficient pre-registered entries to stand on its own. Please fill out the application form carefully and completely, and indicate whether your Falcon is entered as stock, daily driver, modified, competition or masters. The model and body style information will assist the committee in determining the fairest way to split classes in the event of a large number of registrations. All show vehicles will have a reserved parking place for the duration of the show.

The menus for the Pasta Party (Thursday, July 21, 6 p.m.) and the Awards Banquet (Saturday, July 23, 6:30 p.m.) also appear in this *Bulletin*. Both will be served buffet style — all you can eat. Lunches of hoagies, hamburgers and hot dogs will be available Thursday through Saturday.

See the application form for a complete listing. Additional information about the tours will appear in the future. Remember that T-shirts and caps can be ordered for delivery at the National.

Chapter News

The *Founder's Chapter* had a meeting at Rips Restaurant in Jacksonville, AR. There were 26 present with six Falcons driven, and a new member was welcomed. Plans are in progress for their fifth annual car show in the spring at Dale Horn Ford at Malvern, AR.

A videotape has been produced for the *Keystone Chapter's* Fifth Annual Eastern Regional Meet in Valley Forge, PA, and can be ordered from Ed Snyder, President. At the last club meet, a picnic lunch at Shickshinny, preparations were discussed regarding the 1994 National Convention. Afterward they drove their Falcons to the scenic lookout point. The Sixth Annual Chapter Dinner will be held at Meyers' Family Restaurant in Quakertown, PA, on Saturday, March 19.

Newly elected officers of the *Sooner State Chapter* are Lloyd Lang, president; Keven Brown, vice president; Jerry Miles, secretary/treasurer. Next on their agenda is a Mexican style lunch meeting in Mustang, OK, on Saturday, March 26.

Eleven members braved a mixture of rain and sleet to attend the first meeting of 1994 for the *Carolinas Chapter*. Several items of interest were discussed, including the 1993 Christmas party and events/trips being planned for this year.

Editor's Note: I would like to receive a yearly list of each chapter's regular meetings to publish in our Calendar of Events. Special activities such as trips need to be submitted at least two months in advance for publication, and don't forget to include a phone number (with area code) for information. Thanks!
